

Summary Report for Workshop/Seminar on Intellectual Property Rights

Photos

Objectives

The main objective of the training program is to increase IP filing of states and thus building a robust IP ecosystem in the states of India.

Others objectives are given below:

1. To assist States in creating/developing a Strong IP ecosystem thereby, transforming it into an attractive investment destination for the industries.
2. To sensitize the clusters about Intellectual Property Right and their protection.
3. To identify protectable innovations.
4. To suggest steps for transforming innovations into proprietary assets.
5. To use IP information, particularly relating to patents and designs, for further research and development in developing new product and process.
6. Utilize the IP information in their business development
